

DFA TRAINING

Emergency Vehicle Awareness - What to do?

Delivered by: DFA Training

This awareness session equips participants with the knowledge to act safely when an emergency vehicle is approaching.

Why This Training Matters

To remain safe and legal so that you allow the emergency vehicle to make safe progress.

What You'll Learn & Topics Covered

- What the Highway Code states.
- What tactics the emergency response driver will use at; Traffic signals, & Solid white lines.
- Awareness of Emergency warning equipment that is available.
- Shown a video of a response drive allowing time for discussions.

Outcome

By the end of the session, participants will:

- Understand how to act safely and legally to allow an emergency response vehicle to proceed
